Case No. 89576 ¹)	

¹ As of the date of filing, the KRBA has not yet been formally commenced. Accordingly, the United States requests that at the appropriate time, its service addresses be listed as proposed in this filing in the pending KRBA AOI, currently identified on the Court's website as "coming 2025", and in any KRBA Standard Forms.

NOTICE OF CHANGE OF ADDRESS

The United States of America ("United States") respectfully provides notice of a change in its address for proceedings in the above-captioned adjudications, effective immediately.²

MOTION TO AMEND

The United States respectfully moves the Court to amend Administrative Order 1 ("AO1") and the Court's Standard Forms in each adjudication captioned above to modify the United States' address for service of pleadings and other documents under the Docket Sheet procedure. In SRBA AO1 § 6(e)(2)(c) and CSRBA, PRBA, CFRBA, and BRBA AO1 § 7(e)(2)(c), the United States' address for U.S. mail is identified as:

U.S. Mail:

United States Department of Justice
Environment and Natural Resources Division
550 West Fort Street, MSC 033
Boise, Idaho 83724

Messenger or Overnight Delivery:

U.S. Department of Justice
Environment and Natural Resources Division
161 East Mallard Drive, Suite A
Boise, Idaho 83706

² The United States will continue to check the currently listed mailbox through entry of an order on the associated Motion to Amend.

Tel: (208) 331-5909

The United States asks the Court to amend AO1 to identify the United States' address as follows:

U.S. Mail

United States Department of Justice
Environment and Natural Resources Division
P.O. Box 7611
Ben Franklin Station
Washington, D.C. 20044-7611

Messenger or Overnight Delivery

United States Department of Justice
Environment and Natural Resources Division
Four Constitution Square
150 M Street NE
Washington, D.C. 20002

The Court's Standard Forms each also identify an address for the United States on the pre-filled Certificate of Mailing page. *See, e.g.*, SRBA SF1 at 4 (providing the United States' address as 550 W Fort Street, MSC 033, Boise, ID 83724). The address should be amended to the United States' U.S. mail address. The relevant forms to be modified are the SRBA SF1-SF4 and Motion for Determination of Deferred De Minimis Domestic or Stock Use³ and CSRBA, PRBA, CFRBA, and BRBA SF1-SF4 and SF-7.

As good cause for this request, the United States notes that after recent budgetary changes, the Environment and Natural Resources Division ("ENRD"), which represents the United States in Idaho's general stream adjudications, no longer has support staff located in Boise, Idaho to receive and process mail at the currently listed address. The new proposed address is ENRD's primary office and contains a permanent mail-processing facility, which will ensure that counsel receive adjudication mailings. Modification of AO1 and the Court's

³ The SRBA Motion for Determination of Deferred *De Minimis* Domestic or Stock Water Use identifies different addresses for the United States: the U.S. Attorney's Office for the District of Idaho and the Robert F. Kennedy Department of Justice Building in Washington, D.C. The equivalent form in the remaining adjudications, SF7, lists the 550 West Fort Street address. Both addresses can be modified to the proposed address in this filing.

Standard Forms to match the Notice of Change of Address will minimize confusion as the appropriate mailing address for the United States.

Undersigned counsel has conferred with counsel for the State of Idaho and for the Idaho Department of Water Resources, who stated that they do not oppose this motion. For the foregoing reasons, the United States requests that the Court amend AO1 and the Court's Standard Forms to identify the new mailing addresses for the United States.
