10. **General Provision** Individual Water Right All Water Rights
 Should not be recommended.

 This general provision was not recommended but should be recommended as described below.
Should be: _____

 General provision was recommended but should be modified as described below.
Should be: _____

11. **I object** because the recommendation contains an accomplished transfer under Idaho Code § 42-1425 resulting in injury to my water right(s) and/or enlargement of the original right.
12. **I object because:**
- This water right should not exist.
 - This water right was not recommended, but should be recommended with the elements described above.

E. REASONS SUPPORTING OBJECTION(S):

The claimed sources, quantity, place of use and points of diversion are too indefinite and uncertain to be decreed and not claimed in compliance with Idaho Code §§ 42-1409 and 42-1411A. Further, the claimed water right should not exist in so far as the claim includes sources, points of diversion and places of use on land acquired by the United States Forest Service by means other than reservation under the Organic Administration Act of 1897 and Presidential Proclamation of March 1, 1898, establishing the Priest River Forest Reserve.
